Interested in the technical aspects of ham radio?

This is the club for you!

We specialize in the technical and operating side of ham radio. Everyone is welcome! All levels of ham radio operators, and hams-to-be too.

When: We usually meet on the 1st Saturday of every month, 10 am - noon, except for July (Field Day) and December (Holiday Lunch).

Where: The Bridge Church at Bear Creek, 3101 S. Kipling St.

Programs: Our programs include a variety of technical and operating presentations, hands-on projects along with the science and technology behind them, formal and informal discussions, operating techniques, SOTA and other topics of club interest.

Remote Station: We have a FlexRadio 6400 available for use by all paid club members. This station provides phone, CW, and digital modes on 40M and 20M, accessible by internet, using software under Windows and Mac.

Net: TechNet every Tuesday @ 7:00PM on 145.145- (107.2).
